CELEBRITY SHOUTOUTS

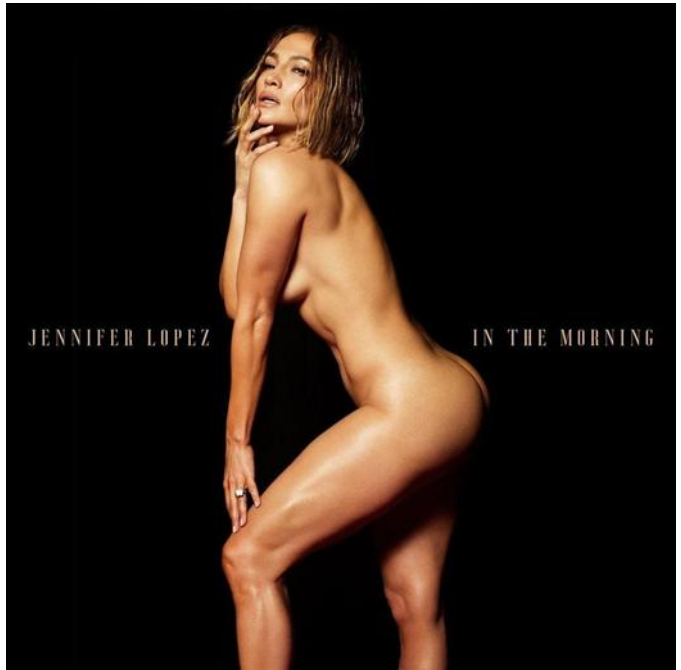

THEY SAY IT'S LEAKED OR PAPARAZZI – WE SAY IT PUBLICITY!

If thick thighs save lives then **Ashley Graham** is **Isis** the Goddess of Life. She's thicker than a motherfreakin' Snicker and more satisfying.

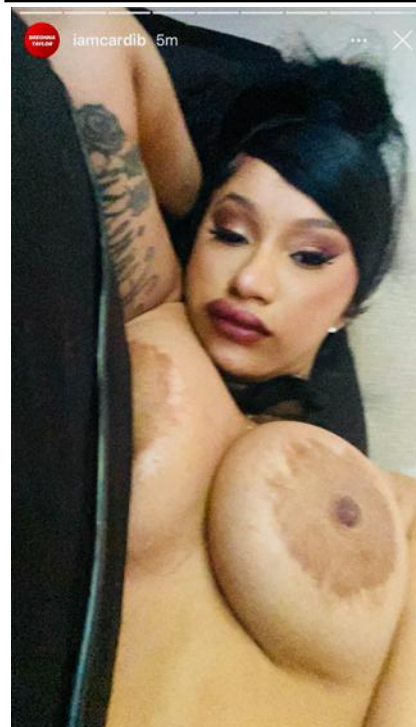

American actress, singer, model and director **Bella Thorne** has many of the sex workers with their panties in a bunch after starting a Only Fans page and making \$1 million on the first day, setting a record for the social media platform. They considered a celebrity making massive amounts of money a “slap in the face.” Speaking of faces, what's that on Bella's?

J. Lo is no dummy, she knows that sex sells like Sno-Cones in Death Valley. That's why she went totally nude for the cover of her new single. Maybe she'll make **a million** the first day too.

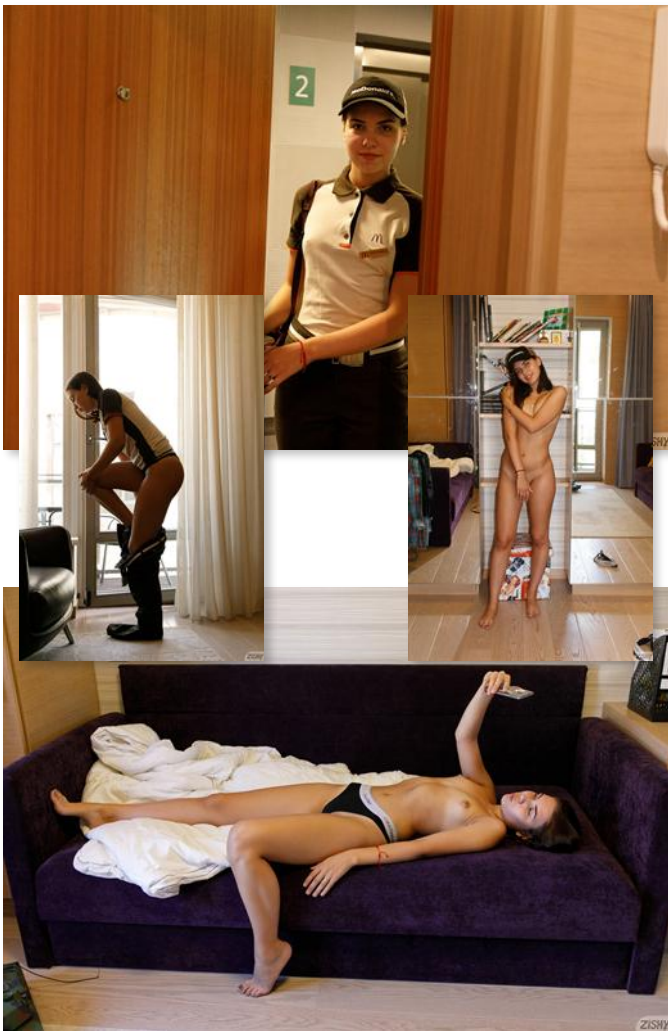

Photo of the Month

Cardi B accidentally posted this photo to her Instagram. She claimed that she had some swelling and took a picture and then “I fucking pressed and I'm seeing that it's loading and I'm like, ‘Oh my god! Oh my god! The picture's loading!’”

She continued, “By the time I turned my phone on and deleted this shit, everybody and they mom saw my big ass titties. ... It was all over the internet.”

Yes...okerrrrrr!

Even **McDonald's** employees are getting into the sex sells act. Mickey D's employs **Vero Bicketti** decided it would be a great idea to go from her work uniform to birthday suit for the camera. We damn near made her **Model of the Month**.

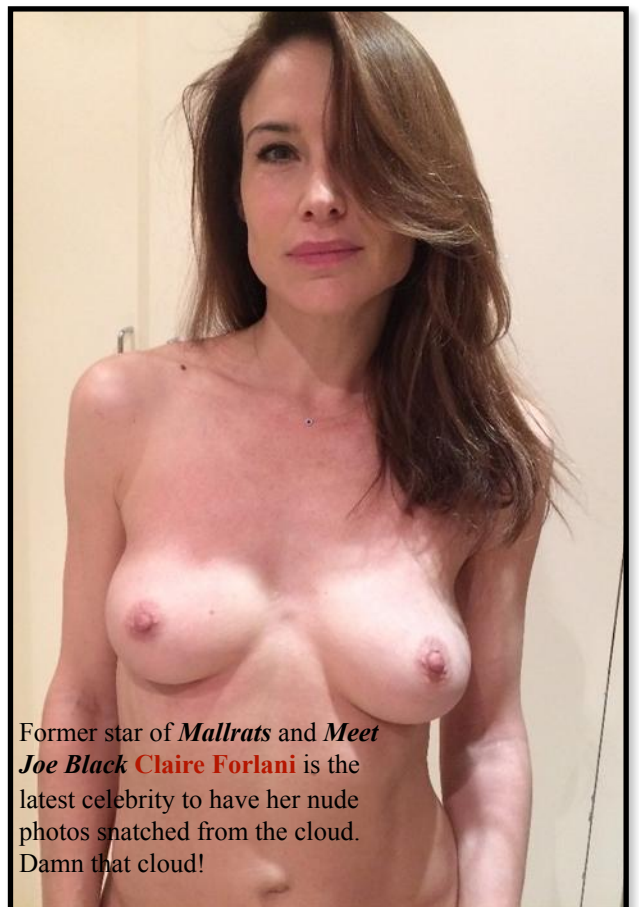

INSTAGRAM MODEL OF THE MONTH

PAST PLAYMATES

Dinah Willis Playmate of the Month December 1965

Dinah Willis is the breadwinner in her family and as such, she wasn't going to go through the typical Playmate channel—she wanted to get our attention and get it she did. Sending in photos of herself wearing lingerie to our Dear Playboy column in September 1965, Dinah made sure to attach a seductive note so we and Playboy readers wouldn't ignore her plea to be our Playmate of the Month. "Is there any chance of a small-town girl who doesn't know any important professional photographers . . . becoming a Playmate?"

Honey West Presents

Estrellas de mierda Cubanas - Cuban Porn Stars

Since we have an interview with the most well known Cuban porn stars we thought we would do a ranking of the TOP Cuban Porn stars...plus Honey West is off this month and it's the best thing we could think of.

We actually looked at some of the analytics from Pornhub to determine how they do their rankings, after all we wanted our rankings to be somewhat fair and objective.

That shit was way too confusing and seemed more of a explanation of why you may be making less money or whatever.

So we came up with our own system.

We selected 8 porn stars (maybe that wasn't fair) not including Angelina Castro because that would be definitely biased and ranked them on the following:

- **Creativity** - Doing something new or unusual
- **Believability** - Are they just calling it in?
- **Consistency** - Are we aroused through the clip?
- **Attraction** and...(self explanatory)
- **Money Shot** - How they handle the BIG moment

They could earn 5 points for each category.

We chose only one clip, sometimes two if the first did not include the **money shot**, to make our decision. So, our rankings are not written in stone they could have a better clip out there somewhere.

Here's what we came up with.

7 Alby Rydes

The issue with Rydes was it was just too plain Jane. A girl that's all tatted up with half her head shaved really needs to bring the heat.

Unfortunately her clip didn't match her look and she scored a **12** out of 25.

6 Katie de Lys

The clip we watched was realistic. It featured some very random dude on the beach with a very hot female friend watching. Where de Lys fell shot was her reaction to the money shot. She totally shied away from it sinking her score to a **14**.

5 Paris Sweet

She ranked very high in believability but again it was way too plain and we just lost interest during her clip. It was was amazing that someone so hot could have our finger glued to the fast forward button. Sweet scored a not so sweet **16**.

8 Kim Cruz

We expected a lot more from Cruz but her ass and pretty face just didn't bring it. The clip was lousy and her co-star was gross with a little dick. At one point she even asked him to hold the camera. She scored a **10** out of 25.

4 Carmen de Luz

De Luz really brought it. She showed us the goods, did a couple of unique things and gave it her all. The only criticism we had for her clip was the sorry ass money shot. She scored **20** out of 25.

3 Bedeli Buttland

With a name like Buttland what's not to like. Bedeli's clip was just short of perfect. However, it lagged in certain places which brought the score down. She also scored a **20** out of 25.

2 Valerie Kay

This is another situation where the clip was awesome. She scored high in every category except the money shot - **which we couldn't find!** That brought her score to **22**.

1

Julianna Vega

One of the best things about Vega is when she's dressed in normal clothing - she doesn't look like a porn star. I'm not sure what's hot about that but it's hot. She's 5'5" tall with 34 DD tits and 37" hips.

Her clips was amazing, scoring fives in three categories - Believability, Consistency and Attraction. She scored a four in creativity. So, again the downfall was the money shot but in this case she was only half at fault. She was the only one to score a **23** out of 25.

THE Y FACTOR

Y does Trump still have followers?

It may sound crazy but the first thing I thought when Trump got elected was that this fucking idiot would have a robot in Disney's Hall of Presidents.

Which I'm surprised that they added and I expect that it will not be there long. If you've never been lucky enough to see it, it's pretty amazing. The robots not only move around but the other robots appear to be watching them as they give their short speech. I haven't seen it lately but according to CNN The Bitch is actually introduced by George Washington - of all the Presidents. AssClown says "From the beginning, America has been a nation defined by its people. At our founding, it was the American people who rose up to defend our freedoms and win our Independence." Loser goes onto say "Above all, to be American is to be an optimist. To believe that we can always do better, and that the best days of our great nation are still ahead of us."

Now I was way too young to remember Nixon and too young to care about Reagan but without question Trump's presidency has to be the largest national embarrassment since the invention of social media.

Yet, there were 74 million people who voted for Trump's ignorant lying ass. The most for any losing incumbent POTUS in the nations history. A fact that he actually told the truth about.

Why?

This is a fucker that lied to them or had someone else lie to the American people almost every day from the day after the inauguration.

First, racism. It's always been there. As Jamelle Bouie notes in the NYT, Trump is not an aberration. Ronald Reagan used not-so-subtle racist language to get elected. So did George W. Bush. So did Bill Clinton. What Trump has done differently is made open, active, racism part of the culture of his base. And sadly, in a lot of places, it worked.

Then: Paranoia and distrust of government. There are always been people susceptible to (or just fascinated by) conspiracy theories and general anti-science quackery; they used to be mostly isolated and limited in their political relevance. Now they have online echo chambers that reinforce and expand their world views.

Trump has weaponized "socialism." It sounds to his fans like "some bureaucrat telling me what to do" instead of "free education and health care for my kids."

The good news is that people under 30 don't buy that. So there is hope for the future.

I recently asked Republican to define Socialism on Facebook and of course there wasn't a single response.

What many of them don't realize that THE MILITARY IS A SOCIALIST PROGRAM and so is the Fire department, the Police department, the Library, Social Security, Medicare, Foster Care, Medicaid, WIC, School breakfast and lunch, Public Housing, Section 8, Pell grants and the list goes on and on.

The only conclusion that I can come to is that these are a bunch of people who are completely ignorant to the world that surrounds them, including Trump. Unfortunately, we have to find a way to co-exist with a bunch of looney tunes that are lost in the sauce.

HEADLINER

KAMALA DEVI HARRIS

Her story.

Kamala Devi Harris (/ˈkɑːmələ/ KAH-mə-lə; born October 20, 1964) is an American politician and attorney, the junior United States senator from California, and the vice president-elect of the United States.

A member of the Democratic Party, she will become vice president on January 20, 2021, alongside President-elect Joe Biden, having defeated incumbent president Donald Trump and vice president Mike Pence in the 2020 election. She will be the United States' first female vice president, the highest-ranking female elected official in U.S. history, and the first African American and first Asian American vice president.

Born in Oakland, California, Harris graduated from Howard University and the University of California, Hastings College of the Law. She began her career in the Alameda County District Attorney's Office, before being recruited to the San Francisco District Attorney's Office and later the City Attorney of San Francisco's office. In 2003, she was elected district attorney of San Francisco. She was elected Attorney General of California in 2010 and re-elected in 2014.

As a senator, she has advocated healthcare reform, federal de-scheduling of cannabis, a path to citizenship for undocumented immigrants, the DREAM Act, a ban on assault weapons, and progressive tax reform. She gained a national profile for her pointed questioning of Trump administration officials during Senate hearings, including Trump's second Supreme Court nominee Brett Kavanaugh, who was accused of sexual assault.

Harris ran for the 2020 Democratic presidential nomination and ended her campaign on December 3, 2019. She was announced as Biden's running mate on August 11, 2020. On November 7, 2020, the presidential election was called in favor of the Biden–Harris ticket.

Harris was born in Oakland, California,^[10] on October 20, 1964. Her mother, Shyamala Gopalan, a biologist whose work on the progesterone receptor gene stimulated advances in breast cancer research, had arrived in the U.S. from Tamil Nadu in India in 1958 as a 19-year-old graduate student in nutrition and endocrinology at the University of California, Berkeley; Gopalan received her PhD in 1964.

Her father, Donald J. Harris, is a Stanford University professor emeritus of economics, who arrived in the U.S. from British Jamaica in 1961 for graduate study at UC Berkeley, receiving a PhD in economics in 1966. Along with her younger sister, Maya, Harris lived in Berkeley, California, briefly on Milvia Street in central Berkeley, then a duplex on Bancroft Way in West Berkeley, an area often called "the flatlands" with a significant black population.

Before becoming the Vice President Elect, Harris was a member of the Black Caucus, the Asian Pacific American Caucus and the Caucus for Women's Issues - just to name a few.

Q&A with

Angelina Castro

Angelina Castro (born Francys Delia Valdez on 6 September 1982) is a Cuban American pornographic actress, film producer and radio personality. Castro grew up in Havana, Cuba, migrating to the United States when she was a child. After studying to be a chiropractor, Castro started working in adult films, starting in 2006, to pay off her student loans.

The first Cuban-American adult film star, Castro gained national mainstream attention when she, and fellow porn actress Sara Jay, posted on Twitter that they would offer oral sex to fans of the Miami Heat, if the Heat won the NBA Finals – and the two women did. Castro makes regular appearances on American Spanish-language radio and television, often providing sex advice, and is the spokesperson for Garner's Garden skincare.

This actually our 3rd time interviewing Angelina in the last decade because she is without question one of our favorite porn stars.

Here's how it went

First off, how are your chickens doing?

My chickens are great. 9 girls and 2 boys. I collect eggs everyday and I love it

How many do you have now?

12 as of right now I want to get to 20ish.

What made you adopt chickens?

I always wanted to live in a farm and grow my own food and after seeing how crazy our food is processed here I decided to go ahead and make it happen.

How exactly did you get your start in the adult industry?

I was 26 and I went to do a movie for curiosity and I stayed.

What was shooting your first scene like?

Boring AF. I thought it was gonna be more than it was. But it got better lol

Are you married or do you have any plans to get married?

Angelina Castro is a character she doesn't have a personal life.

(However we noticed in many photos Francys Valdez has on a wedding ring. It has also been reported that she has two children)

How do you prepare mentally for a scene?

I usually do my own makeup thy way I have time to get into character

Is there any physical preparation?

Yes I shower and lube.

What is "your way" to do anal?

I don't do it. I don't like it. I have videos explaining that in my IG @laangelinacastro

(in an interview Angelina was asked about anal and she likes to do it her way - where else would I have gotten the question)

How often do you actually cum during a scene, is it every time? Ever?

I only come on scenes I'm playing with myself.

I noticed several years ago that a lot of your pictures and video were no longer branded by any of the larger companies. Have you made a split from them? If so, any plan to go back or are you fine just doing you.

Since I started the industry my plan was to own my self and I do. I only done about 20 scenes in 12 years for companies that is not me.

What are some of the craziest stereotypes associated with the adult industry?

Porn stars are stupid and brainless. We have studs and can't do any better.

In an interview you mentioned freedom. How free are you now? Both physically and mentally?

Super free. Financials free and mentally free. Got rid of baggage and negativity. Bad (people) out of my life now (okay) just need to kill my CC debt and I'll be totally free.

What actually turns you on?

God conversation and hygiene

Do you have a particular type when it comes to men? Do you prefer Black over White or vice versa?

I'm Spanish and I was raised in Miami I don't play the white and black stupid shit Americans play. I like who I like no matter what.

You told me the rooftop story. What is your wildest sex story off camera?

Pretty boring off cam, that still the craziest story

What is your favorite position?

Doggie

What would you consider the hottest scene you've ever done? Why?

I like them all. All different specially the ones I produce

What was the worst scene? Why?

A dp (double penetration) I attempted to do with a company that was very amateur.

If a guy were to approach you - what's your password? How could he get in your panties?

No one gets in my panties unless I want to. I'm not an ATM there is no password

You are representing Miami in a big way as well as Cuba? What are your future plans or goals?

Stay alive and keep living.

Especially in this evil time of COVID!

Thanks Angelina, stay Beautiful, Cuban, Fierce and safe.

I WAS WALKING DOWN THE STREET AND I PUNCHED OF A WHITE GUY AND THEN I WAS ARRESTED FOR ASSAULT. THE NEXT DAY AFTER I GOT OUT, I PUNCHED A BLACK GUY AND I WAS ARRESTED FOR IMPERSONATING A POLICE OFFICER.

A WORLDWIDE SURVEY WAS CONDUCTED BY THE UN. THE ONLY QUESTION ASKED WAS: "WOULD YOU PLEASE GIVE YOUR HONEST OPINION ABOUT SOLUTIONS TO THE FOOD SHORTAGE IN THE REST OF THE WORLD?" THE SURVEY WAS A HUGE FAILURE. IN AFRICA THEY DIDN'T KNOW WHAT "FOOD" MEANT. IN EASTERN EUROPE THEY DIDN'T KNOW WHAT "HONEST" MEANT. IN WESTERN EUROPE THEY DIDN'T KNOW WHAT "SHORTAGE" MEANT. IN CHINA THEY DIDN'T KNOW WHAT "OPINION" MEANT. IN THE MIDDLE EAST THEY DIDN'T KNOW WHAT "SOLUTION" MEANT. IN SOUTH AMERICA THEY DIDN'T KNOW WHAT "PLEASE" MEANT. AND IN THE USA THEY DIDN'T KNOW WHAT "THE REST OF THE WORLD" MEANT.

A BOSS SAID TO HIS SECRETARY, "I WANT TO HAVE SEX WITH YOU, BUT I WILL MAKE IT VERY FAST. I'LL THROW \$1,000 ON THE FLOOR AND BY THE TIME YOU BEND DOWN TO PICK IT UP, I'LL BE DONE." SHE CALLED HER BOYFRIEND AND TOLD HIM THE STORY. HER BOYFRIEND SAID, "DO IT BUT ASK HIM FOR \$2,000. THEN PICK UP THE MONEY SO FAST, HE WON'T EVEN HAVE ENOUGH TIME TO UNDRESS HIMSELF." SHE AGREES. AFTER HALF AN HOUR PASSES, THE BOYFRIEND CALLS AND ASKS, "SO WHAT HAPPENED?" SHE RESPONDS, "THE BASTARD USED COINS, SO I'M STILL PICKING IT UP AND HE IS STILL HAVING SEX WITH ME!"

A LITTLE BOY GOES TO HIS DAD AND ASKS, "WHAT IS POLITICS?" THE DAD SAYS, "WELL SON, LET ME TRY TO EXPLAIN IT THIS WAY: I'M THE BREADWINNER OF THE FAMILY, SO LET'S CALL ME CAPITALISM. YOUR MOTHER, SHE'S THE ADMINISTRATOR OF THE MONEY, SO WE'LL CALL HER THE GOVERNMENT. WE'RE HERE TO TAKE CARE OF YOUR NEEDS, SO WE'LL CALL YOU THE PEOPLE. THE NANNY, WE'LL CONSIDER HER THE WORKING CLASS. AND YOUR BABY BROTHER, WE'LL CALL HIM THE FUTURE. NOW, THINK ABOUT THAT AND SEE IF THAT MAKES SENSE." THE LITTLE BOY GOES OFF TO BED THINKING ABOUT WHAT DAD HAD SAID. LATER THAT NIGHT, HE HEARS HIS BABY BROTHER CRYING, SO HE GETS UP TO CHECK ON HIM. HE FINDS THAT THE BABY HAS SOILED HIS DIAPER. THE LITTLE BOY GOES TO HIS PARENTS' ROOM AND FINDS HIS MOTHER SOUND ASLEEP. NOT WANTING TO WAKE HER, HE GOES TO THE NANNY'S ROOM. FINDING THE DOOR LOCKED, HE PEEKS IN THE KEYHOLE AND SEES HIS FATHER IN BED WITH THE NANNY. HE GIVES UP AND GOES BACK TO BED. THE NEXT MORNING, THE LITTLE BOY SAYS TO HIS FATHER, "DAD, I THINK I UNDERSTAND THE CONCEPT OF POLITICS NOW." THE FATHER SAYS, "GOOD SON, TELL ME IN YOUR OWN WORDS WHAT YOU THINK POLITICS IS ALL ABOUT." THE LITTLE BOY REPLIES, "WELL, WHILE CAPITALISM IS SCREWING THE WORKING CLASS, THE GOVERNMENT IS SOUND ASLEEP, THE PEOPLE ARE BEING IGNORED AND THE FUTURE IS IN DEEP SHIT."

A MAN IS LYING ON THE BEACH, WEARING NOTHING BUT A CAP OVER HIS CROTCH. A WOMAN PASSING BY REMARKS, "IF YOU WERE ANY SORT OF A GENTLEMAN, YOU WOULD LIFT YOUR HAT TO A LADY." HE REPLIES, "IF YOU WERE ANY SORT OF A SEXY LADY, THE HAT WOULD LIFT BY ITSELF."

Sexual Astrology

DECEMBER 2020

ARIES - Now is the time to review possible latent issues between you, such as jealousy, secret sensitivities or egotistic attitudes of one with respect to the other. Don't forget that in love relationships there has to be revitalization from day to day that should not be neglected, but is advisable to maintain continual attention and concentration.

TAURUS - During this short period of time, there is harmony between your need to be open, amused and loved on one hand, and your family responsibilities or relationship to your parents on the other hand. Thus, if you are involved in a love relationship now, you will find that the interrelationship will be more and better accepted by your family.

GEMINI - This is also a good time to bring to light elements from your infancy and adolescence that still could be active in your subconscious, in the wake of psychological experiences that still have not been assimilated well. If you have some antipathy, resentment or grudge toward some member of your family, now is the time to reflect on it and, thereafter, improve your relationship with that person.

CANCER - Don't forget that a sexual relationship is brought about simultaneously on the physical as well as the emotional and mental level. The physical vitality must be accompanied by the feeling of sincerity and intense communication so that the spark of real love can be produced.

LEO - Remember that nobody is pushing you to get a mate quickly. Without a doubt, it can be said that quality is worth more than quantity. If you pass this short and intensive cycle in solitary, become fully aware of yourself as an independent and creative individual.

VIRGO - Sexuality should not wear out your energy, but release, expand, revitalize and recover your personal strength. This is a good way of finding out if the relationship works correctly, since "nothing is created, nothing is destroyed and all is transformed". Thus, the integral act of love must result in the revitalization of both partners on the physical as well as the emotional and mental levels. As a rule, when someone is tired, it is because you are not achieving an energy circuit adapted to the environment. On the other hand, when someone is revitalized, it is because you readily tune into others, and in this case, your partner.

LIBRA - Now is the time to look deeper into your real psyche, avoiding at all cost to express your feelings outwardly without having sufficiently worked out what comes from within.

SCORPIO - Let your romanticism fly away and see your companion as a great possibility to accomplish your ideal. In the beginning, no relationship is perfect, and daily effort is required to accomplish greater levels.

SAGITTARIUS - Perhaps you also want to show off your mate socially, seeking personal grandeur. Without a doubt, you are proud of your mate, but it is also advisable to apply the virtues of balance and simplicity in this sense.

CAPRICORN - If you insist on bringing your daily problems to the area of your family and mate, you won't be observing the work - rest cycle, which could bring your vital energies to a low. Avoid at all cost relating to your mate in a dry, routine, tired or concerned way. Learn to live your life intensely during the time you have the opportunity to be with your companion. Be thankful what you have and don't complain so much. Only with a positive attitude will you be able to control the possible complications that may be coming up from day to day.

AQUARIUS - As a rule, you will be more inclined to define circumstances, to participate actively, to decide and take part in family problems. In other words, you will prefer to take part in family decisions, and in that way try to improve conditions in your family, or solve problems that have been delayed or stagnant for some time. You never will avoid your part of responsibility that touches the dynamics of your family.

PISCES - If you currently are not involved with anyone, it is an auspicious time to establish a relationship with someone that attracts you because of their artistic talent, depth of character, sensibility, or because you feel that it is a person of very high character. This could be the beginning of a very close and probably lasting relationship.
